April Meeting - The regular monthly meeting was held at Station #2 on April 5th. In attendance were Barbara B., Missy, Barbara H., Jodi, Betty, Amy, Maddy and Sheri. Current balance as of this date is \$2,847.97.

Crusade for Children - We are looking for more ideas to raise money for Crusade. If anyone has any suggestions, please contact Steve or Sheri Foster. Sheri's phone number is 502-387-6523 and Steve's number is 502-550-8754. The Golf Scramble has been put on hold and may be scheduled in the fall this year. A car wash may be in the works for May. Watch next month's newsletter for more details. If anyone would like to help or could volunteer their time to help out, please contact any Auxiliary member.

St. Patrick's Day Social - We had around 45 people that attended the social. Several kids dressed in costume. A prize was given to the best dressed, which was Bryce Foster. We hope to have this again next year and gear it more towards the kids. Many thanks to everyone who helped to make this event so successful!!

House Burn - A tentative date has been set for **April 28th**, weather permitting. We plan to set up around 7:00am for a light breakfast and lunch will be served around 11:00am. The fire department will provide the meals, sandwiches, chips, snacks and drinks, but we'll need help preparing & serving lunch. We'll also need help throughout the day as various groups rehab from training. The plan is to finish up by 5:00pm. If you can help out, please contact Barbara Barnes.

House Bill 193 - Barbara Barnes received a response from Sen. Carroll regarding HB-193, which would allow a refundable tax credit for volunteer firefighters. According to Sen. Carroll, it was introduced to the House in January and assigned to the Appropriations & Revenue committee for action but it was never called on by the Chairman for a vote. He says it's surprising since it had 20% of the house signed on as sponsors, so unfortunately, it did not go anywhere.

Activations - None

Response Tubs - With warmer weather quickly approaching, be sure to review items in your response tubs and switch out the cold weather items. Also check expiration dates on the your current stock.

Auxiliary Shirts - New designs for shirts were discussed at the April meeting. We will be getting prices and hope to place an order in either May or June.
